

TEXAS Prairies

Saving Our Natural Heritage

Join Native Prairies Association of Texas

WE ARE A NON-PROFIT membership organization and land trust dedicated to the conservation, restoration, and appreciation of native prairies, savannas, and other grasslands in Texas. We save Texas prairies.

WE PROTECT PRAIRIES through acquisition, partnerships, and conservation easements.

WE RESTORE NATIVE PRAIRIE on our own lands, and promote restoration on other private and public lands to benefit the native plant communities, grassland birds and other prairie wildlife of Texas. We share informational resources and advice on restoration.

WE EDUCATE TEXANS about native prairies, plant communities, grassland birds and other wildlife through our chapter efforts, workshops, presentations, field trips and many types of volunteer opportunities. We promote the conservation and restoration of Texas prairies.

MAKE A DIFFERENCE for current and future generations in the preservation of Texas' natural heritage, while enjoying outings and volunteer activities with fellow prairie enthusiasts. Be a part of the solution for the many challenges facing this great American landscape.

We depend on the support of our members to help us conserve Texas prairies. Programs are supported by your donations, bequests, gifts, membership dues and volunteer efforts.
